

Building for the future: Red Meat Development Programme

John Richards
Industry Development and Relations Manager

Hill Ram Scheme

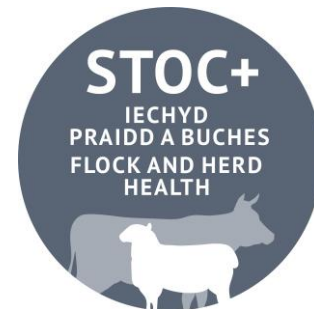

'If this project can help me identify any passengers, it will make a big difference to my flock '
- Hywel Morgan, Leader Flock farmer

Stoc+

'I hope that the project will help improve performance within the flock and herd through monitoring health issues. My vet's input has already been useful'
- Ian Davies, Stoc+ participant

Welsh Lamb Meat Quality

‘We are pleased to support this project that will help to distinguish the attributes of Welsh Lamb as a premium product for our customers at home and abroad’

- Prys Morgan, Kepak
